

Help this musher get the dogs hooked to the sled in the right order

Dogs names are; Ajax, Balto, Chevy, Digit, Elvis, Joe, Kazan, Lingo, Lucy, Nellie, Oreo, Poppy, Socks, and Togo

[Lead Dogs]

[Wheel Dogs]

Ajax must be the fifth dog from the musher
Balto must run in wheel
Chevy needs to run in front of Joe
Digit runs to the right of Elvis.
Elvis likes to follow Ajax and runs only on the left
Joe runs in wheel on the right side of the sled
Kazan is a lead dog but won't run on the right
Lingo must run on the right side

Lucy must run just behind the lead dogs
Nellie cannot run behind Oreo or Chevy
Oreo likes to run with Chevy, but can't run on the same side as Joe.
Poppy likes to run next to Lucy
Socks will only run if following Poppy
Togo is a lead dog but won't run on the left.
