If lack of snow or other act of nature arises, the safety of the dogs shall be held in highest priority. The decision to cancel or modify the event will be the sole responsibility of the Tustumena 200 board of directors. In any year where trail conditions are in question, there shall be a special trail meeting called no less than five days prior to the published starting date. At this meeting, trail conditions will be discussed with the trail committee and a representative of the mushers. A decision will be made as to the status of the race: either cancellation or postponement. Within 24 hours of the meeting, this decision will be publicized and relayed to the musher who have registered and to all major sponsors. In the event that trail conditions preclude the ceremonial start, the Tustumena 200 may be run under the provision of a reduced purse. Entrants then have the option of a full return of their entry fee, should they elect not to compete. The decision of the Tustumena 200 board of directors will be final.

Have a great race!
